MEMORANDUM CIRCULAR  
NUMBER 98-04

JAN 09 1998

SUBJECT: Nationwide Feedback Loop Mechanism

In view of the fact that there has been no adequate feedback loop mechanism since the passage of the Police Act 1966 creating the National Police Commission projecting the degree of success or failure of NAPOLCOM in its mission and vision vis-a-vis the professionalization of the police, the Commission henceforth, through the Commissioners exercising supervisory functions over the service/s and regions, shall evaluate the effectiveness of the Service Chiefs and Regional Directors every six (6) months to the end that the police shall finally achieve a degree of professionalism that the public perception would deem acceptable.

In like manner, the NAPOLCOM Regional Directors and Provincial Officers shall have a coordinative and consultative relationship with their PNP counterparts. All matters within the six (6) services ( Administrative, Logistics, Inspection and Monitoring, Legal, Planning and Crime Prevention ) shall be required from the PNP for appreciation and evaluation of the Commission through its regional offices. The Napolcom Regional Directors shall then submit to the Central Office their evaluation of the efficiency and effectiveness of the PNP in their respective regions. Likewise, the PNP Regional and Provincial Directors are required to extend full support, cooperation and compliance with the requirements of the NAPOLCOM Regional Offices to carry out the functions of the Commission.

This Memorandum Circular takes effect 01 January 1998.
